### Cookies or Quick Bread for Soup for You

Do you like to bake? Soup to You in the Seward Neighborhood of Minneapolis used to serve lunch in their dining room to neighbors in need. Since the start of the pandemic, they have pivoted to distributing bag lunches. You are invited to bake cookies or quick bread.

**Baked Items:** Bake cookies or quick breads. Preferably something that would freeze well if they are not used right away. Goopy cookies do not work well.

**Packaging:** Package two cookies or one slice of bread in snack size bags.

As a bonus if people have fun stickers (smiley faces, "you are special", etc.) and if they would be willing to stick them on the bags with the baked goods that would be awesome. We are noticing an increase of people really struggling and any little pick me up that we can provide makes a big difference.

**Cookie Dough & Bananas:** Soup for You has some frozen cookie dough in the freezer and we would love it if someone would be willing to bake those cookies too. We also have a bunch of frozen bananas that we would love for someone to use for banana bread.

**Decorate Lunch Bags:** If kids or adults would like to decorate some lunch bags it would be a treat for people. I am happy to provide the bags since there is a certain size we use that fits the meal containers we use.

**Drop Off Baked Goods** at Park & Pray Wednesday Worship or contact Janet at [jwbrahier@gmail.com](mailto:jwbrahier@gmail.com) to drop off or pick up supplies.
